Dear Motorist:

Here is a question being asked by more and more people every day. You may have asked it yourself. "WHAT CAN AAA DO FOR ME?" Listed below, briefly, are some of the reasons why more than 10 million people have become members of AAA.

EMERGENCY ROAD SERVICE - 24 hours a day throughout the nation. When your car is disabled, you are entitled to service. No other Automobile Club has a national network of garages to match AAA's 24,000 contract garages.

THE WORLD'S LARGEST TRAVEL COUNSELING SERVICE will handle all your travel needs, across the country or around the world. This is not just a map outline, but our famous "Trip Tik" available in over 750 offices, staffed by professionally trained travel counselors who, in many cases, have been where you are going.

YOUR MEMBERSHIP INCLUDES, at no extra cost, PERSONAL ACCIDENT INSURANCE to help you and your family meet emergencies arising from travel accidents. It is payable regardless of any other insurance you have. Coverage is world-wide - in a car, on a train, plane or ship, even as a pedestrian, if struck by a vehicle.

When it is a case of BAIL or JAIL, AAA WILL POST UP TO \$5,000.00. For your convenience, AAA even gives you a \$200.00 Arrest Bond that, in most cases, will be accepted on sight.

Safety is one of our main concerns. We advise corporations, sponsor School Safety Patrols and Driver Education and are often called upon to advise on such things as better roads, traffic controls, etc. All suggestions from our members regarding traffic signs, signals, etc. are carefully forwarded to the proper agencies.

Membership in AAA costs less than 6 cents a day. Services are provided at no additional charge. Why so little for so much service - because AAA is a non-profit civic club.

Complete the enclosed reply card and, at no obligation on your part, allow us to tell you why more than 10 million motorists say: "IT PAYS TO BELONG".

Sincerely,

R. J. Vialle
